

SPRING VOLLEYBALL

Southern Lights Volleyball will be offering an opportunity to participate in and experience a traveling volleyball program, similar to JO Volleyball. It is a substitution for the traditional JO Volleyball season, with all the uncertainty that still lies with Covid-19.

Due to the uncertainty of the current Covid-19 situation, we will be running a condensed program this year. We will be playing strictly local communities. The plan is to run a 6- week program, with practice 1-2 times a week, and four weekends of match play.

Start Date: March 22, 2021 at coaches discretion– May 1, 2021

Registration Fee: \$75.00/participant (Make checks payable to: Southern Lights)

REGISTRATION DUE: March 12, 2021

*** Please return the registration and fee to your Elementary or High School offices, or mail to:
